(1) Based on United Nations Food & Agriculture Organization (FAO) data Eurostat data. TDA estimates and reports from individual countries. Includes vineyards used for the production of wine variety grapes, raisin variety grapes, table grapes (for the fresh market) and juice grapes (for the production of grape juice and grape juice concentrate).

(2) Ranked by vineyard acreage in 2014

(3) 0.0% indicates less than .1%.

(4) See Appendix 2, US Vineyard Acreage by State and grape category.
